The Ideal Standard story

There are few things in life more satisfying than being relaxed in your own space - feeling like you belong. And you deserve that feeling every day. As Europe's leading bathroom brand, Ideal Standard's vision has always been to create individual spaces that offer the freedom of personal expression. We regularly work with many of the world's leading designers in order to create innovative products that allow you to express your individual style. An Ideal Standard bathroom is truly yours.

The designers

Robin Levien

Product designer Robin Levien has a long history of creating innovative bathroom ranges for Ideal Standard and is one of the UK's most successful bathroom designers. In 2008, he received a lifetime achievement award for his outstanding contribution to ceramic design. A member of Council of the Royal College of Art, Robin's innovative products put the power of contemporary design in your hands.

Achim Pohl and Tomas Fiegl

Their philosophy is simply, 'the ordinary should be beautiful'. As the designers of Tonic and Moment suites, they have received many awards including several prestigious red dot design awards. They have also created products for Chrysler, Gillette and Johnson & Johnson. Their aim is to design products that are confidently balanced between form and function.
